

## Intake Admissions Process for 2025-2026

Intake Grades (JK, K, Grade 1, 4, 6, 8, and 11) are grades where we know there will be a specific number of openings. The number of openings varies by grade.

**Process snapshot:** All applicants to an intake grade are required to attend the admissions assessment. Shortlisted applicants will then be invited to attend an interview with a member of the admissions team.

### Important Application Requirements:

JK, K and Grade 1 applicants must attend the assessment in-person. A virtual option will not be available for these grades. Unfortunately, there are no exceptions. However, if shortlisted, the parent/guardian interview can be conducted virtually or in person.

The [SSAT](#) is required for shortlisted applicants to Grade 8 to Grade 12.

## Non-Intake Admissions Process for 2025-2026

Non-intake grades (Grades 2, 3, 5, 7, 9, 10) are grades where we only have openings if current students indicate they will not be returning. The non-intake admissions process occurs later in the year with some key differences from intake grades. See below.

**Process Snapshot:** All applications to non-intake grades are thoroughly reviewed by the Admissions Committee. Only shortlisted applicants will proceed to the next stage, which includes attending the admissions assessment. Based on the anticipated number of openings for each grade, first-round interview invitations will be extended to selected applicants.

The [SSAT](#) is required for shortlisted applicants to Grade 8 to Grade 12.
